Helpful Tips:

Are you familiar with ELRC (formerly known as CCIS) program that helps cover child care expenses at day care centers? You can find more information on http://www.philadelphiachildcare.org and check whether your family is eligible. ELRC helps cover tuition throughout the whole year (PHLPreK and PreK Counts programs cover only 5.5 hours of educational time during the school year and doesn't cover summer and holidays).

Does your family currently receive ELRC (formerly known as CCIS) (check all that apply)?

 Δ Yes, we do have ELRC

 Δ No, we don't have ELRC and plan to apply

 on the form are required. To speed up the enrollment process and ensure your child
 receives nutritious meals the soonest, please make sure you filled out the form
 correctly. If you have any questions, please ask your child care Director for assistance.
- Please follow the instruction on "2022-2023 Letter to the Parents" to fill out the *Meal Benefit Income Eligibility Form* correctly. To speed up the enrollment process and ensure your child receives nutritious meals the soonest, please make sure you filled out the form correctly. If you have any questions, please ask your child care Director for assistance.
- Participation in this program will NOT affect any other subsidy that you currently receive.

CACFP Meal Benefit Income Eligibility Form Instructions July 1, 2022-June 30, 2023

The Child and Adult Care Food Program (CACFP) makes good food a regular part of your child's day care! Please fill out the *CACFP Meal Benefit Income Eligibility* form. It helps us find out if your household qualifies for free or reduced-price meals. This lets us know how much money CACFP will give to support your day care home or center.

Instructions

Here are instructions to help you fill out the form. Before you begin, turn the form over to learn why we ask for this information. It tells you how we use the information and what rights you have. It also tells you how to contact USDA if you believe you are treated unfairly.

Please make sure to fill in all of the requested information. Use a pen to mark your answers on one form. When you are finished, please return the form to us at:

[Contact Information].

Step 1:

List all the children from your household in the day care. Use one line for each child's name. Write one letter in each box. Stop if you run out of space. If there are more children, add their names on a second piece of paper.

Do you have any foster children? If you answer Yes, mark the Foster Child box next to the child's name. If you are only applying for foster children, finish Step 1 and go to Step 4. If you are applying for both foster and non-foster children, go to Step 2.

Are any children migrant, runaway, homeless, or enrolled in Head Start? If Yes, mark the correct boxes next to the child's name and go to Step 4.

Step 2:

You qualify for free meals if you live in a household that receives Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR).

Do any household members, including you, currently receive SNAP, TANF, or FDPIR? If Yes, write the case number in the box and go to Step 4. You only need to provide one case number. If No, go to Step 3.

Step 3:

Report current income for all household members. Skip this step if you answered Yes in Step 2.

How do you report child income? Turn the form over and use the *Source of Income for Children* chart to see if your household has income to report.

This institution is an equal opportunity provider.

Write the amount in the boxes in part A of the form. Mark how often the amount is earned. Write 0 in the box if there is no income to report.

How do you report income of adult household members? Turn the form over and use the *Source of Income for Adults* chart to see if your household has income to report.

In part B, list all the adults in your household, including you, even if each of you doesn't receive income. Include all adults, such as grandparents, other relatives, and friends who live with you and share household income and expenses. Write the amount of income each of you receives, in the boxes next to your names. Mark how often the amount is received. Write 0 in the box if there is no income to report.

Make sure you report the current amount of money you get before taxes. Don't include SNAP, FDPIR, WIC, student financial aid, or money you receive for a foster child as income.

Count the number of all children and adults in your household. Include all infants, children, students, and adults. Write the total number in the box under the list of adult household members.

Do you or another adult household member have a Social Security number? Write the last four digits in the boxes. If there is no Social Security number, mark the *Check if no SSN* box.

Points to Remember:

lf:	Then:						
Your income isn't always the same	List the amount of money that you normally get. For example, don't include overtime pay, if you don't normally get it. If your income is normally higher or lower, you can report annual income instead.						
Your household includes members who aren't citizens	You or your children don't have to be U.S. citizens to qualify for meal benefits.						
You are in the military	Don't include your Family Subsistence Supplemental Allowance (FSSA), combat pay, or the money you receive for privatized housing. If deployed, count the amount of pay that is made available to your household as income.						

Step 4:

An adult household member must sign this form. The signer promises that all information is true and complete.

Print the name, address, and telephone or email of the adult signer. Sign and write today's date in the marked boxes.

Optional

We ask about your children's ethnicity and race to make sure we do our best to serve our community. Providing this information is not required. You won't be denied benefits based on your race, color, national origin, sex, age, or disability.

Children and Adults with Disabilities and Special Dietary Needs

Operators of the Child and Adult Care Food Program (CACFP) and Summer Food Service Program (SFSP) are required to make reasonable modifications to Program meals or the meal service to accommodate children or adults (Program participants) with disabilities that restrict the diet.

1. Licensed Medical Authority's Statement for Participants with Disabilities

U.S. Department of Agriculture (USDA) regulations at <u>7 CFR Part 15b</u> require substitutions or modifications in Program meals for participants whose disabilities restrict their diets. Sponsors, centers, and day care homes must provide modifications for participants on a case-by-case basis when requests are supported by a written statement from a state licensed medical authority.

The third page of this document ("Medical Plan of Care for Child Nutrition Programs") may be used to obtain the required information from the licensed medical authority. For this purpose, a *state licensed medical authority* in Pennsylvania includes a:

- Physician,
- Physician assistant,
- Certified registered nurse practitioner, or
- Dentist.

The written medical statement must include:

- An explanation of how the participant's physical or mental impairment restricts the diet;
- An explanation of what must be done to accommodate the participant; and
- The food or foods to be omitted and recommended alternatives, if appropriate.

2. Other Special Dietary Needs

Program operators may make food substitutions for individual participants who do not have a medical statement on file. Such determinations are made on a case-by-case basis and all accommodations must be made according to USDA's meal pattern requirements. Program operators are encouraged, but not required, to have documentation on file when making menu modifications within the meal pattern.

Special dietary needs and requests such as those related to general health concerns and personal preferences are not disabilities and are <u>optional</u> for Program operators to accommodate. Meal modifications for non-disability reasons are reimbursable provided that these meals adhere to Program regulations.

3. Rehabilitation Act of 1973 and the Americans with Disabilities Act

How does CACFP work?

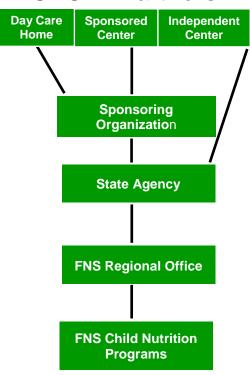

Day care homes and centers receive money for serving nutritious meals. The Food and Nutrition Service (FNS), an agency of the U.S. Department of Agriculture (USDA) oversees CACFP.

States approve sponsors and centers to operate the program. States also monitor and provide training and guidance to make sure CACFP runs right.

Sponsoring organizations support day care homes and centers with training and monitoring. All day care homes participate in CACFP through a sponsor.

What is CACFP?

CACFP is the Child and Adult Care Food Program. It is a Federal program that pays for healthy meals and snacks for children and adults in day care.

CACFP improves the quality of day care. It makes the cost of day care cheaper for many low-income families.

Besides providing meals in day care, CACFP makes afterschool programs more appealing to at-risk children and youth. Serving afterschool meals and snacks attracts students to learning activities that are safe and fun.

Children and youth who are homeless can also receive meals at shelters that participate in CACFP.

Here is space for the State agency and sponsoring organization to add contact information.

Who is eligible for CACFP meals?

- Children under age 13,
- Migrant children under age 16,
- Children and youth under age 19 in afterschool programs in lowincome areas,
- Children and youth under age 19 who live in homeless shelters, and
- Adults who are impaired or over age 60 and enrolled in adult day care

What kinds of meals are served?

CACFP meals follow USDA nutrition standards.

- Breakfast consists of milk, fruits or vegetables, and grains.
- Lunch and Supper require milk, grains, meat or other proteins, fruits, and vegetables.
- Snacks include two different servings from the five components: milk, fruits, vegetables, grains, or meat or other proteins.

Where are CACFP meals served?

Many types of facilities participate in CACFP.

Child Care Centers:

Licensed child care centers and Head Start programs provide day care with meals and snacks to large numbers of children.

Outside-School-Hours Care Centers:

Licensed centers offer before or afterschool care with meals and snacks to large numbers of school-aged children.

Family Day Care Homes:

Licensed providers offer family child care with free meals and snacks to small groups of children in private homes.

"At-Risk" Afterschool Care Programs:

Centers in low-income areas provide learning activities with free meals and snacks to school-age children and youth.

Emergency Shelters:

Homeless, domestic violence, and runaway youth shelters provide places to live with free meals for children and youth.

Adult Day Care Centers:

Licensed centers provide day care with meals and snacks to enrolled adults.
